

TO: Philmont 2011 Youth Participants
FROM: Roger Pierson, Chairman - High Adventure Committee
RE: Philmont Camperships
DATE: September 28, 2010

Thank you for your enthusiasm in pursuing a trek on the Philmont Scout Ranch reservation beginning in June of 2011. We realize the magnitude of the financial commitment you and your family have made.

In order to help those that find this especially difficult, Philmont makes a modest amount of campership funds available each year.

The Shenandoah Area Council wishes to distribute these to those most needing it, and in as fair way as possible, consistent with the goals of the Boy Scouts of America.

Therefore, should you be interested, please fill out the Philmont Campership Application, paying particular attention to line "C", the amount earned by the youth participant him or her self. The Council will match this amount dollar for dollar, to a maximum of \$250, until the available funds from Philmont are exhausted. The award of campership funds will be made on a first-come first-served basis. Should more funds become available; a second pass will be made, first awarding those receiving none on the initial pass.

Applications should be received by the Shenandoah Area Council office no later than Monday, December 1st. The address is:

Shenandoah Area Council
Boy Scouts of America
107 Youth Development Court
Winchester, VA 22602
ATTN: Philmont Campership Application Enclosed

Please keep a dated copy of the application for your records.

A Scout is Trustworthy
